Boerse Stuttgart Digital - the regulated infrastructure partner for institutional crypto and digital asset solutions

Boerse Stuttgart Digital, powered by Boerse Stuttgart Group, is the reliable partner for integrated and customized solutions along the value chain of cryptocurrencies and digital assets in Europe. As part of Boerse Stuttgart Group, with over 160 years of expertise in financial markets, Boerse Stuttgart Digital is fully regulated in Germany. As a one-stop-shop, it offers modular institutional infrastructure solutions around brokerage, trading, and custody of cryptocurrencies and digital assets, enabling financial institutions across Europe to provide their clients easy and reliable access to cryptocurrencies and digital assets. The team consists of 180+ employees across its locations in Stuttgart, Berlin, Frankfurt, Ljubljana, Milan, Stockholm, and Zurich. For more information, visit bsdigital.com.

Boerse Stuttgart Digital offers integrated and tailored solutions along the entire value chain of crypto & digital assets:

Boerse Stuttgart Digital		
Boerse Stuttgart Digital Brokerage	Boerse Stuttgart Digital Exchange	Boerse Stuttgart Digital Custody
A well-proven infrastructure that enables bilateral trading (OTC) in digital assets for customized solutions.	Europe's first regulated exchange (MTF) for trading digital assets.	A fiduciary custody solution that provides the highest security standards for our partners in brokerage and trading, as well as custody-as-a-service.

Boerse Stuttgart Digital Broker: A proven infrastructure that enables bilateral trading (OTC) in digital assets for customized solutions.

- With [EUWAX AG](#) as its trading operator, Boerse Stuttgart Digital combines extensive expertise as a leading infrastructure provider for crypto with the solid capital market experience of the [Boerse Stuttgart Group](#)
